From the Deputy Commr: Bangalore
No: 35 Dy 15.7.08.
Reports the names of claimants to the stipend of deceased Khasim Bi

3 The Deputy Commissioner reports that Khasim Bi who was drawing a Sharjapur Jageer stipend of Rs: 1-27 died on the 1st February 1898, that she has left after her 2 sons named Khader Saheb aged 13, Ayath Saheb aged 11 and a daughter named Zynab Bi aged 15 years; that the sons are minors and are under the protection of their father Peer Saheb and that the daughter is married and is living with her husband.

4 The Amildar, Anekal Taluk, reports that, though Khasim Bi died at Bannikoppa, Closepet Sub Taluk on 1.2.98, yet the fact of her death was not brought to the notice of the Taluk Authorities till 5-1-03, that Babu Row, Vakil for the Sharjapur Jageerdars continued drawing her stipend, as usual, and paying

it to her maternal uncle Alli Saheb for her, and that her father Peer Saheb and uncle Alli Saheb have deposed that they were not aware that the fact of the death of Khasim Bi should have been brought to the notice of the Authorities, and that they thought that, as she had left issues, the stipend would be continued to her eldest son, as it is hereditary in the family.

5 Such allowances do not lapse to Government, as they have been granted as a consideration for the resumption of Sharjapur and 35 other villages held by the deceased and other stipendiaries.

6 Under the Mahomedan Law, all the 3 children of the deceased and her husband are entitled to a share in the Jaghir allowance which their mother was in enjoyment of. There are no other claimants.

The records show that there have been several irregularities in the case and it is surprising that the Dy Comm^r report is so imperfect and does not even allude to the existence of the irregularities.

8 The pensioner is reported to have died on 1.2.98 but no report of her death was made till 5/1/03 and it took another four years and a half years for the Dy Comm^r to submit his recommendation to Govt for the withdrawal of the pension. The pensioner's agent drew the pension up to the end of Nov 1902 Cr. for a period of 4 years and 10 months after the death of the pensioner. The explanation for this serious irregularity is that he was not made aware of the death of Khassim bi till 3/12/02.

9 In his report to the Agent (Vakil ~~Rajaram~~ Babu Rao)

GPB—50 000—17-3-07

Alli Sab, who was receiving payment on behalf of his neice the pensioner, the latter is stated to have died on 3-12-02 and his explanation for the serious mis-statement is that it was a mistake made by the person who wrote the report for him.

It is not clear how payment was made by the Treasury to Vakil Raja Ram Babu Ram without the production by him of a life Certificate and why the Treasury does not require, at least once a year, proof of the continued existence of the pensioner. If the pensioner was a purdah lady, the precautions prescribed in art 345 CAC should have also been taken by the treasury and had this been taken, payment of the stipend for a period of 4 years 10 months after the death of the pensioner could not have been made and the irregularity could

easily have been found out.
The explanation of Alli Sab and
the husband of Khassim bi that
they do not know that they
had to make a report of
the death of the pensioner
and that as the deceased
had left issue there was
no objection to their receiving
the pension after Khassim
Bi's death is not quite
acceptable. They should have
known that the continuance
of the pension after the
death of the last holder
was a matter for the orders
of Govt who alone could
say who was entitled to
the stipend. It was highly
irregular on their part to
have drawn the stipend
after its holder died. This
case shows the necessity for
an agency, whether the
Police or any other for
reporting the death of
Pensioners to the Dy

Her agent Vakil Babu Row drew the allowance ~~for her~~ up to the end of November 1902, i.e. for a period of 4 years and 10 months after her death and his explanation for this serious irregularity is that he was not aware of her death till the 3rd December 1902.
